COMSHADE®

Comshade is a proven and trusted heavy duty knitted shade fabric designed for large tension shade structures and sails.

COMSHADE

EXTRA HEAVY DUTY KNITTED SHADE FABRIC

Comshade is a proven and trusted heavy duty knitted shade fabric designed for large tension shade structures and sails.

Comshades exceptional strength to weight ratio makes it ideal for larger commercial projects, where the shade fabric is exposed to the harsh elements of wind, rain, hail, dust and UV exposure. Polyfab products have been awarded the seal of approval by the Melanoma International Foundation. The seal is allocated to products that assist with community protection against Melanoma and promote safe sun behaviour.

✓ UV stabilised ✓ High strength ✓ High UVR Block ✓ Heat set ✓ Abrasion resistant ✓ Colour fast

	UVR Block %	UPF	Cover Factor %	Shade Factor %
1. Porcelain	96.4	24	96.9	80.8
2. Sahara	94.5	17	94.9	86.1
3. Sandstone	93.7	14	93.8	85.4
4. Rust	90.0	10	89.7	82.0
